Offer early bird to VIP, seniors to children and tailor with parking, promos, donations, surveys and seating charts.

Marketing

Inclusive marketing for all ticketed events plus premium options designed to boost ticket sales.

Mobile App

Check-in attendees by scanning the QR code in their email confirmation or by searching for attendee name.

Onsite Logistics

Accept payments at-the-door and collect attendee data using customisable surveys.

Reporting

Advanced performance and attendee analytics in a customised and user-friendly dashboard.

Effortless Payments

Accept all major credit cards with Stripe for seamless and timely payments.

A large, diverse crowd of young people at a concert or festival. Many individuals have their arms raised in excitement, some making hand gestures. The crowd is dense, and the atmosphere appears energetic. The text "100% free for event creators" is overlaid on the bottom center of the image.

100% free for event creators

CUSTOMIZATION

Customizable event pages

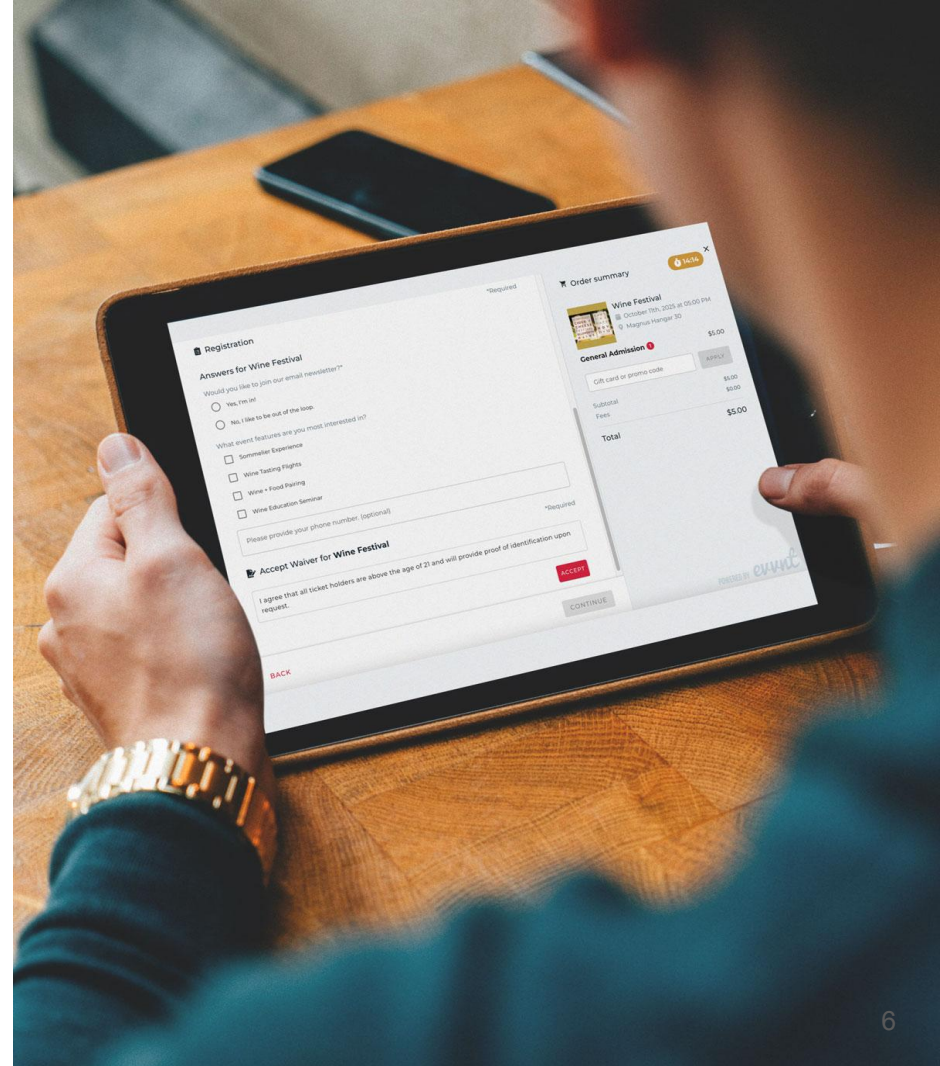

Designing an event page has never been this easy! With our user-friendly platform, you can effortlessly create stunning, branded event pages that capture the essence of your event and connect with your target audience — all in just a matter of minutes.

CUSTOMIZATION

Enhanced event personalization

Seamlessly gather personalized information from ticket buyers to create a truly unforgettable experience. Whether it's dietary preferences, valuable event feedback, or the green light to include them in our exclusive email newsletters.

TICKETING FEATURES

More features for a flexible ticket buying experience

Add custom fees to checkout and collect 100%.

One off, recurring, ongoing ticketing grouping options.

Compensate, refund or exchange options.

Donations to single or multiple causes.

Custom URLs for memorable, easy sharing

Public or private listings; control the visibility of your events.

Multiple ticket types: early bird, kids prices, promos and more.

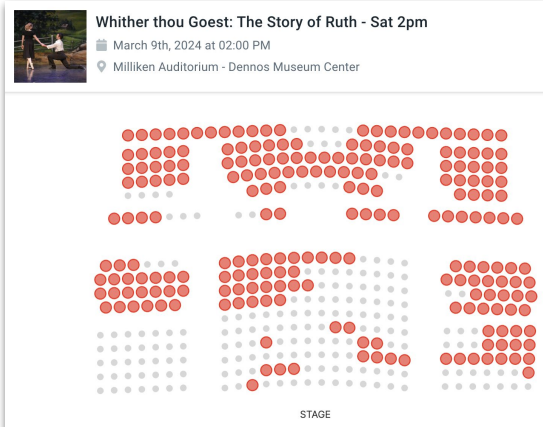

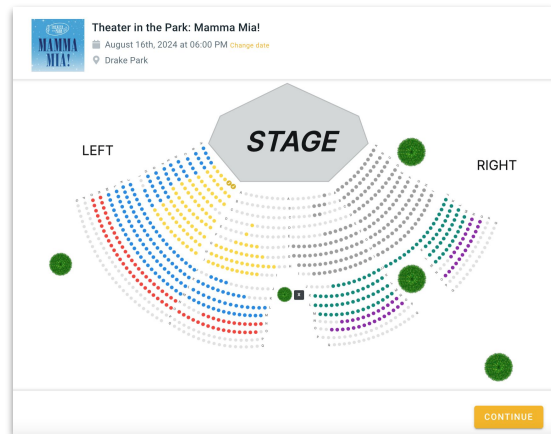

Boost demand and keep potential attendees engaged with waitlists.

TICKETING FEATURES

Custom interactive schematics

Whether you require a layout for vendor booths, a sophisticated seating arrangement for a glamorous indoor gala, or even a large scale setup for an outdoor concert, we've got you covered. Our team of experts is well-equipped to design and create the schematic to meet your event's needs.

TICKETING FEATURES

Online merchandise

Merchandise can be set with attributes for size, color, gender, quantity and custom fields. Merchandise is available during the ticket buying process. An event admission ticket purchase is required for a merchandise purchase.

MARKETING

QR code posters onsite at your event:

Data Capture Your online buyers provide all of the relevant information including email, address and postcode for future marketing.

Virtual Box Office Convenience Buyers love to have an option to skip the box office lines. This will also reduce stress on your box office staff.

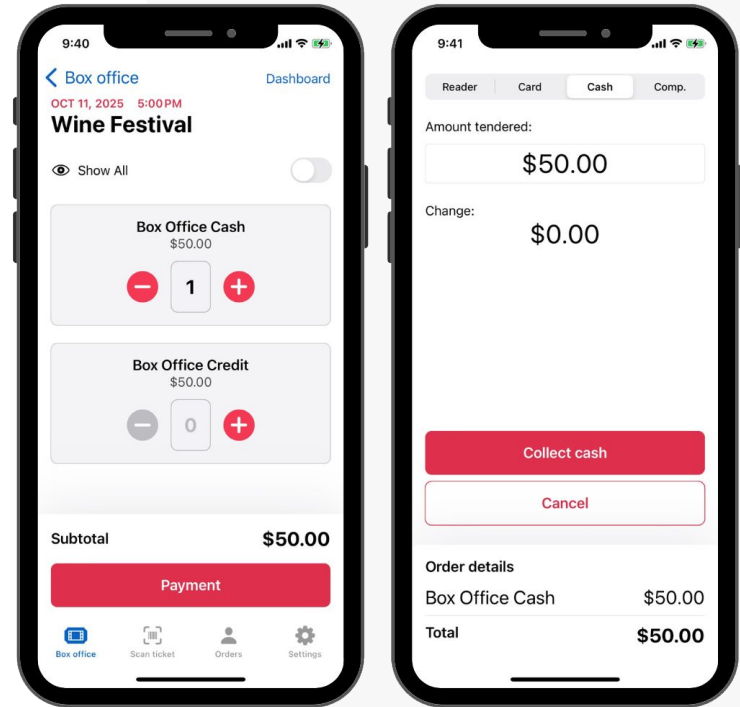

Revenue Along with using our Mobile Box Office App, your ticket sales, revenue and ability to handle refunds are all located in one system.

Design Ask our team for assistance with creating your QR Code poster.

MOBILE APP

'Box Office' App

The mobile box office app makes day-of management simple and efficient for events of any size. Built to support both at-the-door and advance ticket sales for your next event. Sell tickets on the spot with your preferred payment method, all from the palm of your hand, completing check-ins quickly.

ONSITE LOGISTICS

Managing on-site operations for both your team and app users

Staff Member Access Set up single, multiple, or shared-use logins for your staff to use the app. Each staff login can be tracked for orders that are processed by the login user. Or, you can have one login for your team to share to scan tickets.

Admin Access Admins are able to access more information on the event like revenue and check-in meters along with all Staff functionality. Onsite support is available for your events via email, web or phone support.

Available for sale
Stripe M2 Credit Card
Reader

ONSITE LOGISTICS

Full service support: weekdays & weekends

Advanced training will be provided virtually and recorded for event employees prior to the start of the events. This training includes a **Day of Operations Strategy Session** for event leaders with our ticketing experts.

Ongoing support is provided by Evvnt Ticketing prior to, during, and after the events. This includes our [Evvnt Support Services](#) and access to the ticketing support hotline.

Text or call our support team at **855-708-1078**.

leading event
creators.

"It was a pleasure to work with Evvnt Ticketing for the Best Coast Beer Fest 2022 in San Diego. Their team was flexible and responsive to our ticketing needs and let us focus on the logistics of running our sixth annual event. With thousands of festival attendees, their onsite gate app was simple to use and lightning fast.

I would highly recommend to any large-scale event producers."

Amy da Silva, Best Coast Beer Fest, San Diego, California
